1. **PRODUCTION APPLICATIONS:** This permit, associated with the production parking on Hayden Place, shall be limited to a 14-calendar day period; applications for a new permit may be submitted for consideration, **based on compliance with the permit**, at the time that the permit expires; failure to comply with these conditions prohibit a new permit from being issued. All future permits shall be limited to a 14-calendar day period as well, unless stated otherwise.

2. **PRODUCTION CREW PARKING:** This permit does not allow those associated with the productions to park on Hayden Place, outside of the posted parking area. This INCLUDES cast and crew parking; failure to do so could result in this permit being revoked.

3. **PRODUCTION CREW PARKING DOCUMENTATION:** Because this permit does not allow those associated with the productions

to park on Hayden Place, outside of the posted parking area, the production manager or his/her designee shall forward documentation / evidence that the production is using group transportation to avoid their personnel parking in the area. This shall be submitted in conjunction with the bi-weekly application for a new permit; failure to do so could result in this permit being revoked.

4. **ON-LOCATION PARKING AVAILABILITY:** When large support vehicles are on location, your production will utilize appropriate signs that indicate to area businesses that they may park in the spaces for a specified time. The program will utilize colored signs with verbiage indicating that the spaces are available to the general public while the support vehicles are on location, while still maintaining the required "No Parking" posting needed for after-hours enforcement. Failure to comply with this could result in this permit being revoked.

5. **PEDESTRIAN CIRCULATION:** Trailer stairs, power cords, and other production related equipment are prohibited from obstructing sidewalks in the area. Failure to comply with this could result in this permit being revoked.
